

ANNIA J. FLORES

UX/UI DESIGNER

EXPERIENCE

AGOSTO 2018 - PRESENT

AMIGOCLOUD
UI Designer

I'm in charge of improving the workflow and UI of our digital products (wireframes, prototypes).

I'm responsible for making sure we keep the visual identity consistent across different platforms and also for the creative concept development for digital/print pieces (emailings, flyers, presentations, documents, business cards, website, social media).

JANUARY 2018 - JULY 2018

RULES CUBE
Front-end Developer

Front-end development for a Scotiabank contact center project using the Pega software in an agile environment.

SEPTEMBER 2017 - JANUARY 2018

DATA TRUST
Front-end Developer

Responsible for the front-end development of the agency's clients. Scotiabank being my main responsibility,

ABOUT ME

ANNIA J. FLORES
UX/UI Designer

I'm a multidisciplinary designer who currently focuses on UX/UI design. I'm looking to be a part of a team of entrepreneurs and visionaries who want to change the world with design and technology.
