ANNIA J. FLORES

UX DEVELOPER JR.

EXPERIENCE

2018

RULES CUBE
Pega Developer

I worked in a multicultural scrum team developing a project for Scotiabank's Contact Center using the Pega Software.

2017 - 2018

DATA TRUST
Front end Developer

Responsible for the front end development of web projects for the agency's clients, Scotiabank being my main responsibility..

2011 - 2012

OMFG! ACCESORIOS
Designer / Founder

This was a jewelry online shop I started when I was a teenager. The project became popular among the young local people on Facebook and I was able to build a community of over 10k people on social media. I managed to build trust and a great relationship with my customers, who valued my eye for detail and efforts to offer the best online shopping experience.
